

G5 DC Power Supplies

outstanding dynamics

highest accuracy

5 application specific series

parallel, series, mixed mode

0...60 VDC to 0...3000 VDC

TC.ACS 4-Q AC Supplies

wide bandwidth

high dynamics

regenerative grid simulation

amplifier for P-HIL

AC load emulation

Tailored Power Systems

turnkey solutions

modular, field-expandable

unrivalled V-I range

IP20, IP54, liquid cooling

up to 2000+ kW/kVA

50+ years of
innovation
