How to find us by plane

Choose a flight to Zurich International Airport. Check www.zurich-airport.com for further details regarding arrival and departure times. The airport is located in Zürich-Kloten, from where you can easily continue your travel to Rorschach. After having arrived at the airport go to the information desk of Swiss Railway and ask the English-speaking personnel for a train ticket to Rorschach/Stadt via St. Gallen, which is the most convenient connection. They will be able to give you further advice. As the validity of these short distance tickets is only 24 hours, the return ticket should be bought separately (cf. following section "by train"). For further information, please check www.sbb.ch/en. Leave the train at the Railway Station Rorschach Stadt. On request, we can also send you a personalized detailed timetable of possible train connections.

How to find us by train

For finding out the corresponding train connection to Rorschach, please use <https://www.sbb.ch/en/home.html>. As destination please use Rorschach Stadt. You can buy return tickets depending on the duration of your stay and on the travel distance.

Validity of tickets purchased at ticket offices or machines.

Standard tickets purchased at a ticket office or machine are valid for one day or ten days, depending on the distance of the journey they are intended for:

Distance	One way	Return
Up to 115 km	1 day	1 day
From 116 km	1 day	10 days

Validity of tickets purchased on the Internet (OnlineTickets).

The validity of ordinary tickets purchased on the Internet (available as OnlineTickets only) is different to the validity of standard tickets purchased at a ticket office or machine. In addition, customers have to specify their travel dates when purchasing standard tickets online.

Subsequent changes or exchanges are not possible.

Distance	One way	Return
Up to 115 km	1 day	1 day
From 116 km	1 day	1 day each way *

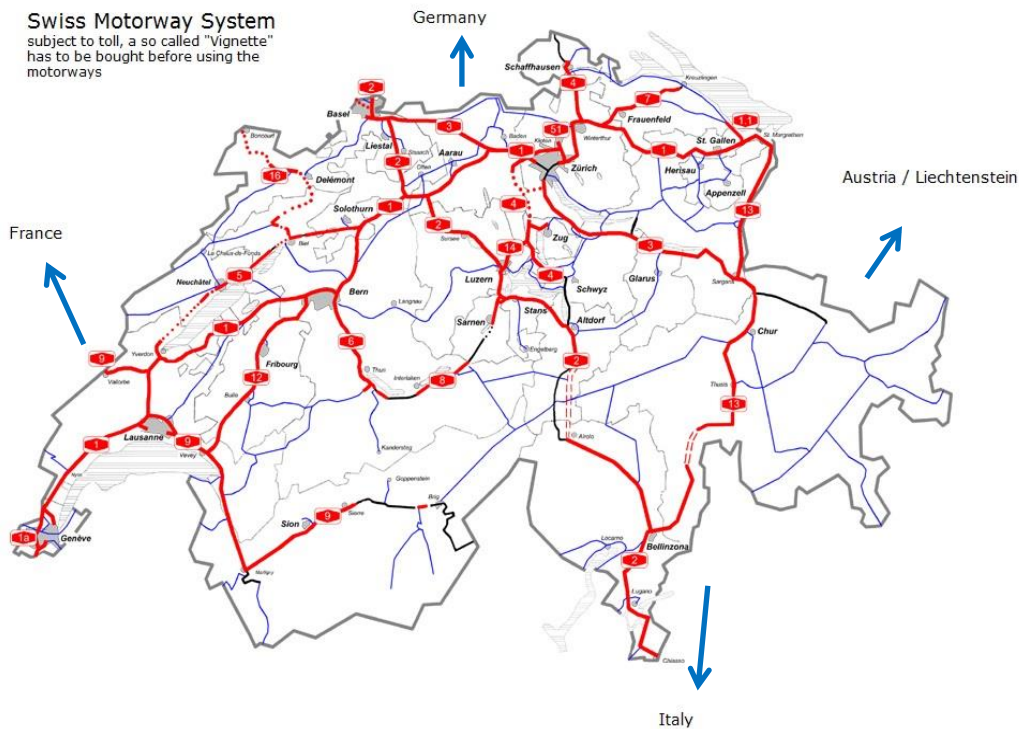

* Return journey possible up to 10 days after outward journey.
